INTERNATIONAL CONFERENCE
European Integration - Realities and Perspectives

The central theme of the EIRP series of events focuses on the EU integration. The participants, academics and researchers, meet yearly, during the second decade of May, in order to exchange information and to conceptually debate the EU integration, its effects on the European citizens, key statistical facts on major European policy areas, the European Union progress, etc. The purpose of the Annual International Conference on European Integration - Realities and Perspectives is to provide a forum for exchange of ideas, research outcomes, business case and technical achievements. The subjects of mutual interest debated during the previous editions of the EIRP Conference Series included, but were not limited to: government debt, world trade, environment, migration, information society, dependency on energy imports, etc. The organizers are looking for original papers addressing state-of-the-art research and development in the following areas:

1. *Legal Sciences in the New Millennium*
2. *The Immigrant's Legal Status in International Law*
3. *The European Citizen and Public Administration*
4. *Green Economy and Sustainable Development*
5. *Modeling Growth – Challenges and Opportunities*
6. *International Relations in the Contemporary World. Geopolitics and Diplomacy*
7. *Interdisciplinary Dimensions of Communication Science*
8. *The University of the 21st century - Challenges, Emerging Models and Perspectives*
9. *New Trends in Psychology*
10. *Sports Governance. Modern Methods and Practices*
11. *The New Paradigm of FinTech and CyberSecurity*
12. *Medical and Health Education*
13. *Health Issues, Policy, and Leadership*
14. *Higher Education Issues, Policy, and Management*
