PROGRAM

INTERNATIONAL CONFERENCE **Education in the Digital Era** 2nd Edition

GALATI
July 27-28, 2023

The 2nd Edition of Education in the Digital Era organized by **Teacher Training Department of Danubius University Galati, Romania (DPPD)** in collaboration with *University of Camerino, Free International University of Moldova, Republic of Moldova, University of Ruse “Angel Kanchev”, Bulgaria, Aleksander Moisiu University of Durrës, Albania, County School Inspectorate, Galati and Teaching-Staff Resource Center, Galati County Center for Resources and Educational Assistance and “Education Is Power” Association* is an event of debates and academic research in the field of fundamental pedagogical disciplines, starting from general didactics, as a theory of the educational process and to pedagogical sciences applied on disciplines.

The central theme of this event focuses on the searching practical solutions for teaching, learning and assessment in this new challenging context of digitalization. The participants, academics and researchers meet yearly in order to exchange information and to conceptually debate the wide range domain of education. Mobilizing experts from different fields, the Conference regards interdisciplinarity as a goal of academic research.

The purpose of the Annual International Conference Education in the Digital Era is to provide a forum for exchange of ideas and research outcomes on the following themes:

- 1. The Reflective, Creative and Innovative Teacher in the Digital Era;*
- 2. Inclusive Educational Environment in the Virtual School;*
- 3. The Professionalization of Teaching Career in the Digital World;*
- 4. Initial Teacher Training and Continuous Professional Development - a New Challenge;*
- 5. Artificial Intelligence in Educational Research.*
- 6. Estudentiana (Students and PhD students)*
