**4<sup>th</sup> Edition**

**GALATI**  
**July 24–25, 2025**

**The 4<sup>th</sup> Edition of Education in the Digital Era** organized by **Teacher Training Department of Danubius International University Galati, Romania (DPPD)** in collaboration with *University of Camerino, Italy, Free International University of Moldova, Republic of Moldova, University of Ruse “Angel Kanchev,” Bulgaria, Aleksander Moisiu University of Durrës, Albania, County School Inspectorate, Galati County Center for Resources and Educational Assistance, “Education Is Power” Association, National University „Yuriy Fedkovych” - Chernivtsi, Ukraine, International European University - Kiev, Ukraine, International Academy of Ecology and Medicine - Kiev, Ukraine, Ion Creanga State Pedagogical University, Chisinau, Republic Of Moldova* is an event of debates and academic research in the field of fundamental pedagogical disciplines, starting from general didactics, as a theory of the educational process and to pedagogical sciences applied on disciplines.

The central theme of this event focuses on searching for practical solutions for teaching, learning and assessment in this new challenging context of digitalization. The participants, academics and researchers meet yearly to exchange information and to conceptually debate the wide range domain of education. Mobilizing experts from different fields, the Conference regards interdisciplinarity as a goal of academic research.

The purpose of the Annual International Conference Education in the Digital Era is to provide a forum for the exchange of ideas and research outcomes on the following themes:

- 1. The Reflective, Creative and Innovative Teacher in the Digital Era;*
- 2. Inclusive Educational Environment in the Virtual School;*
- 3. The Professionalization of Teaching Career in the Digital World;*
- 4. Initial Teacher Training and Continuous Professional Development - a New Challenge;*
- 5. Artificial Intelligence in Educational Research.*
